

A Journey to a Life Free From Violence: Key Milestones

February 2017 – April 2021

Since February 2017, Chrysalis has been co-leading CARE International's Global Outcome on the Right to a Life Free From Violence (LFFV), with support from the CI-Secretariat, CARE USA's Gender Justice Team, CARE Norway and a number of GBV and GBViE champions working at global, regional and country levels, particularly from LAC, WA, MENA and AP regions.

For more details please see [here](#).
